Thanks very much, Ehud.
Btw, had a long chat with Tim, and we agreed option two – my basically treating this draft as your rewrite, with all changes included, makes the most sense.
I will begin Ch 3 on that basis. As long as you can continue providing me your drafts as soon as you've made your changes, we should be able to move along
well.
To the extent that I feel there are parts (remember, we have to cut the manuscript in half) that might be candidates for cutting, I will simply highlight those in
my draft, and you and Tim, between you can decide whether to take them out or not.
Best
Ned
